### THE CHRISTMAS CABARET OF VOCATIONAL TRIUMPH

On the 13th of December 2018 the parents and staff were stunned by the vocational range of the students performances of the most iconic songs over the last century. Ranging from talents such as A-ha to Beyoncé. It was certainly like nothing seen before! Furthermore with great luck and skill presented by the Barbara Speake standard team an exclusive interview with the lady herself was achieved...

"Well...from what I've seen at least everybody's been given the chance to do a solo which is good but the finesse I would like more polished, I would like a thank you to the audience instead of just turning round and walking off but they may do it tonight and do it properly but I don't know. The voices are extremely good and Mr Southern has done a grand job" - Miss Barbara Speake MBE .

Arguably a more refined statement on the expectation than -

"None whatsoever" - dance teacher, Miss Layton.

More quotes for the expectations of the evening:

"I'm intrigued. I think it's going to be a magical evening." Says junior teacher Miss Woods.

"Hoping for a great night" says newest vocational teacher, Mr Penny.

"Get through it! Going to be a fantastic evening of epic proportions" Theatrically puts award winning DJ 'OLOS' /part time office attendant Gregg Nuby.

"ABSOLUTELY AMAZING! I EXPECT TO BE BLOWN AWAY!" Enthusiastically puts Street teacher Mrs Nuby.

As the night drew to a close there wasn't a doubt in anyone's mind that the evening was nothing short of a success. Great thanks and praises were launched at Mr Southern, the school's singing teacher, who had done nothing more than create an incredibly enjoyable evening.

The students of Barbara Speake were mightily excited when the 11th of December rocked around and the entire school journeyed to Richmond theatre to be wowed by the Peter Pan pantomime.

With a cast like Jon Clegg and Rachel Stanley it was destined to surpass the average pantomime

Smiles and laughs of joy from the children gave the teachers great relief as they discovered that this time around this pantomime was miles better than the bombshell that was formed the previous year.
